

Our Legal Structure and Legal Name Have Changed

Chubb Edwards' legal structure and legal name changed on January 1, 2016. The change was based on an internal reorganization of our Canadian affiliate companies where the rights and liabilities of our current partnership structure transferred into one of our partner corporations. This restructure yielded a subtle change in our legal name. Effective January 1, 2016,

"UTC Fire & Security Canada"
changed to
"UTC Fire & Security Canada Inc."

Going forward, you will see the updated name "UTC Fire & Security Canada Inc." on all documentation that identifies Chubb Edwards' legal entity name – contracts, invoices, statements, cheques, etc. While our legal structure has changed, the ultimate ownership, operations, management and employees of the business remain the same. The familiar Chubb Edwards name and logo is unchanged as the common way we do business and will remain prominent in communications from us.
